TOTAL POINTS: _____/500

TIME _____ : _____ : _____

TOTAL POINTS: _____/500

THE RULES:

1 - Limited Time: The competitive version allows a maximum time of 4 hours.
The team that completes all the stops in the shortest time wins.

2 - Use of Mobile Phones: Participants can use their mobile phones to take photos, communicate through the WhatsApp group "SECRETS OF VENICE TREASURE HUNT" and consult digital maps.

3 - Photos of the Stops: Each team must document the completion of each stop by taking a photo of the location or object indicated in the clue. The images must be shared in the WhatsApp group to earn points. To earn an extra 20 points, tag @trarealtaesogno on Instagram with one or more photos from the event; these bonus points will be counted only once.

4 - Respect the Rules and Places: All participants must behave respectfully towards others, public and private properties, and places of historical and cultural interest. Disturbing public peace or damaging any property is strictly prohibited.

5 - Score Table Update: Each team is responsible for updating their score table on the map after completing each stop to keep track of their progress during the treasure hunt.

The Stops, some Clues and Bonus Missions:

01- Santa Croce: The cannonball on the facade of the Church of San Nicola da Tolentino

Clue: The treasure hunt begins with a mission: find the cannonball on the facade of the Church of San Nicola da Tolentino.

02 - Santa Croce: The Mystery of St. John's Head: The Church of San Zandegola

Clue: Look for the outer wall of the church to discover a saint's head. In this Santa Croce church, you'll get chills in the name of St. John the Baptist.

03 San Polo: The Church Walled Between Houses, San Giovanni Elemosinario

Clue: Among the houses of San Polo, not far from the Rialto Bridge, a secret church hides. Find it and discover the generosity of the saint who gives his name to this sacred place.

04 San Polo: Discovering the Ghost Bridge of San Polo

Clue: A bridge that seems to disappear into the shadows of San Polo. Look for the ghost bridge and capture its magic. Not all bridges show their arches in an obvious way.

05 Dorsoduro: Intrigues and Secrets in the Heart of Dorsoduro: The Bridge of Fists

Clue: Where fists once echoed in the air, you'll find the bridge of discord. In the heart of Dorsoduro, look for the Bridge of Fists. If you see a fruit vendor's boat, you're on the right track.

06 Dorsoduro: The Witch's Alarm Clock: A Mysterious Adventure in Venice

Clue: Among the alleys of Dorsoduro, a spell awaits you. Find the witch's clock and experience a magical adventure. Remember, this alarm doesn't tick, sharpen your sight.

07 San Marco: Scala del Bovolo: The Secret View of San Marco

Clue: Find Venice's most famous spiral staircase. From here, you'll discover a legendary view of San Marco.

08 San Marco: The Best View of the Bridge of Sighs

Clue: Find the perfect spot to admire the Bridge of Sighs, and obviously, it's not from the San Giorgio side...

09 Castello: Love and Passion in Castello: The Legend of Orio the Fisherman and the Red Heart of Melusina the Mermaid.

Clue: In the Castello district, legend speaks of a fisherman and a mermaid. Look for the red heart and discover the love story of Orio and Melusina. Will you be able to "conquer" her heart?

10 Castello: Libreria Acqua Alta: Hidden Treasures and Views Among Venice's Books

Clue: A bookstore where water touches the pages of books. Find the Libreria Acqua Alta and discover its hidden treasures.

11 Cannaregio: The Enchanted Pier of Cannaregio

Clue: Among the wonders of Cannaregio, look for an enchanted pier. Find a dreamy view and capture its beauty.

12 The Bonus: Take a Selfie with Banksy's Extraordinary Mural: Street Art in Venice

Clue: There's no clue here, just street art. Find Banksy's mural and take a selfie with this extraordinary work. Although this stage is listed as last, it doesn't make sense to look for it at the end.

BONUSES: Cross the canal on a traghetto gondola, photo from the top of the Scala del Bovolo, a photo of Bacino Orseolo, photo of a cat on the books at Libreria Acqua Alta, and a shot of the "Lego Duck."
